Rector's Reflections

The Story Behind a Famous Carol

Every carol has a story to tell. For example, you may be interested to learn that the origin of the carol "**O Little Town of Bethlehem**" lies in a visit to the Holy Land made back in the 1860s by a famous American preacher and minister, Revd Phillips Brooks. Brooks was the minister at Holy Trinity Church, Philadelphia.

On his return from the Holy Land, he wrote a carol for use by his Sunday school – the carol we know today as "O Little Town of Bethlehem". It was sung to a tune specially composed by his church organist, Lewis Redner; this tune continues to be popular in the USA, but in England the carol is usually sung to "Forest Green", an adaptation of an English Folk-tune.

Brooks' carol has become one of the best loved of all our Christmas carols. As with many carols, the text has evolved over the years. You may be interested to learn that the original version contained the following verse – a verse which, as far as I know, is no longer sung today:

"Where children pure and happy
Pray to the blessed Child,
Where misery cries out to thee,
Son of the Mother mild;
Where charity stands watching
And faith holds wide the door,
The dark night wakes, the glory breaks,
And Christmas comes once more".

I think it is a pity that this verse is no longer sung, for it reminds us Christmas is not just the remembrance of some past event. It is a reminder that Jesus is alive today, and that He wishes to come into our lives and into our communities, bringing His gifts of love, forgiveness and healing. Our task is to make Jesus welcome, by "watching" with a spirit of love, and "holding open" the door of faith – faith in the goodness and power of God, to bring new hope into a world which is so often full of weariness and suffering.

My prayer is that this Christmas time we see afresh the glory of God's love and God's light breaking into our own lives and into our communities – a time when we can truly say that "Christmas comes once more".

With every blessing for the New Year, Fr Jason

St Andrew's Christmas Tree Festival

**A big THANK YOU to everyone
who participated in any way in
order to make our Tree Festival
so successful again this year.**

Congratulations to The Hagbourne and Wallingford Young Pianists whose clever tree was voted the favourite. Second in the voting came **TM Scaffolding** and third was the **Pre-School**.

A Huge Thank You to all the tree sitters, cake makers, raffle ticket sellers and buyers, planners, entertainers and audiences, sponsors, publicity people, tree angels, washers up, those who put up the trees in Church and then took them down again at the end of the festival! To everyone who bought and decorated a tree in their garden in East and West Hagbourne – the village looked beautiful all lit up in the dark. **So many people to thank . . .**

A good amount of nearly six thousand pounds was raised which is a fantastic amount and will be shared with The Friends of Hagbourne Pool and St Andrew's Church.

Thank you to everyone who donated.

THE FAVOURITE TREE

Tower Talk The Christmas Tree Festival was a great success this year with over 100 decorated trees appearing throughout East and West Hagbourne. There were also 30 trees in Church including a Memory Tree. The theme was 'Colours of Christmas' but the ringers did not sponsor a tree this year due to high demand and it is always good for some new organisation to come and join the festival. The weather was awful for the first couple of days of the festival with rain and gale force winds, but people did still turn out which was lovely. Congratulations to Didcot and Wallingford Young Pianists for winning the most popular tree again this year.

On Wednesday 17th December we hosted the afternoon branch practice at St Andrew's and on January 1st we hosted the big News Day practice followed by a soup lunch and raffle.

Our practices have been taking place as usual on a Tuesday evening and have been well attended. Our new ringer Lyn is now ringing on her own and almost ready to join the band ringing call changes and plain hunt. We have rung the bells for two Morning Services a month and also for two Evensongs a month. We have a few injuries in the tower in early December including ribs injuries and an arm injury two following falls and one from a nasty cough and cold.

The bells were rung for the Christmas Services, and we will be ringing the bells as usual from 11:30 on New Year's Eve.

Birthdays – Mary Goy – 27th January.

The Bellringers would like to take this opportunity to wish you all a very happy and prosperous New Year.

The Crucifixion: an Oratorio for Choir and Organ by John Stainer

will be performed at St Andrew's at 6pm on 22nd March 2026

Rehearsals will start in February on Thursdays at 7.30pm. Please contact Mo Windsor on colin.windsor1938@gmail.com if you would like to take part.

All welcome!

In 2026, Mothers' Union celebrates its 150th Anniversary. In 1876 the vision, prayer and action of one woman, Mary Sumner, founded the Mothers' Union. It has become a global Christian movement of 4 million members across 84 countries. Our previous Archbishop of Canterbury, Justin Welby, said that MU is the Church's "best kept secret".

In 2026 members of the Churn Branch continue to work with members worldwide to show Christian Care for Families through:

CAMPAIGNING – to raise awareness and lobby against gender-based violence;

PRAYER – to support members across the world and the projects undertaken;

ACTION – local projects and support to overseas projects such as starting credit unions.

More will be explained over the year.

The local Churn MU branch next meets for Holy Communion with refreshments,

10am at St Mary's Church, Upton on Thursday 15th January.

All are very welcome. Join us and Join in.

Local leads the way

Lots of UK specialists working in both the fields of climate, and especially biodiversity, are looking at local efforts to keep their hope alive. Why? Because 70% of nature has been lost since the 1970s.* There is also widespread consensus, amongst experts, that the UK is going to miss its 2030 targets on both climate and biodiversity. There's a lack of UK government leadership in supporting biodiversity nationally. There's a lack of support internationally too. On climate, we've just seen a very depressing COP30. And the world is not on track to limiting global warming to 1.5 degrees by 2050.

And just what the changing climate might actually mean for the UK is unclear. Much hinges on what happens to the Atlantic currents that currently dominate our weather patterns. Without them, our weather could look more like that of Iceland, with winters 10-15 degrees colder than they are now.

So, where's the hope? Step in the younger generation who want change now. Look at the **Youngwilders**, who are doing so much to support biodiversity and climate. Their first project has been at Maple Farm, which used to be a retirement home for horses. They started work 4 years ago, clearing fences and invasive species and planting hedgerows and trees. Now, already, they are working with local wildlife trusts to count nightingales as well as being blown away by the butterflies' numbers they're finding there. Please see the article link below for more information and inspiration on how to restore nature at scale.

The Hagbourne Mummers – 2026

Your local Mummers performed this year on Wednesday 17th December at the White Hart in Harwell and our own Fleur de Lys in the village.

Mummers plays are a common part of folklore throughout England and are normally performed at Christmas. While the characters will differ, the plays are about “good and evil”, “light and darkness”. In Hagbourne “good” is represented by King George and “evil” by Bold Slash, a bold French Officer — perhaps a hint as to the origins being after the Napoleonic wars.

Just when and where the Hagbourne Mummers Play was first performed is unknown but, from material obtained from the “Morris Ring” archives, the characters and words of the play are similar to other plays still regularly performed in the area around Abingdon and Wantage. These plays were handed down by word of mouth through the generations, and the Hagbourne Mummers Play is recorded as being learnt by Caleb Hitchman of New Road from his older brother Joseph around 56-58 years ago.

Performances were re-established in 1994 by the late John Stanley and with exception of the Covid years have been performed every year since then.

Traditionally money is collected for charity after the show. Over recent years, in memory of John, the collection has been for Blood Cancer UK. Thanks to our generous supporters we collected almost £550 after the White Hart and Fleur de Lys performances. A big thank you to all who donated, this was a record.

The Wizard nebula

Astronomy Notes – through the telescope

I have been asked on several occasions, if I could reinstate my astronomy notes for the magazine. So here goes my New Year's resolution.

As we are into the Pantomime season, I thought I would start with what has become known as "The Wizard nebula". Located in the constellation of Cepheus, it was discovered by Caroline Herschel, sister of the famous William Herschel in 1787. It is a very difficult object to observe visually through the telescope. Sadly, practically impossible to see from Hagbourne with so much light pollution. But long exposures with special filters on the camera, reveal much detail. Here we have a cluster of young hot stars lying at a distance of 8,500 light years. The intense radiation from the new stars drives out the surrounding gas and dust while triggering star formation in the neighbouring region, which stretches for 20 light years. Once you get your eye in, it really does look like a wizard.

That really bright object dominating the night sky at the moment is the largest planet **Jupiter** which is at opposition (closest to us) on the 10th, and so will be at its brightest for this year.

A happy and peaceful New Year to you all.

Wednesday Church: who are we and what are we for? Why do we call ourselves 'Wednesday Church?'

The name was suggested back in 2011 when we began to meet on the first Wednesday of each month. A number of us from several different churches in the Didcot area, St Peter's and other C of E churches, Methodists, Baptists, and people from the King's Church, were concerned that there did not seem to be any provision for adults with special needs to meet and worship together.

So, we have been meeting at St Peter's Church in Newlands Avenue since March 2011. St Peter's is an easily accessible modern building which is ideal for our purpose. Our members are adults of all ages who come because they want to and are brought in by their carers from several Day Centres around the area. They are welcomed with drinks and biscuits and various craft activities until 11am when we go into the church for our worship.

Our members contribute to our worship in many ways: lighting candles, ringing the bell, singing, making suggestions for thanksgiving and prayer. Sometimes we include percussion, wave streamers or dance! Even those in wheelchairs can join in!

We have been very glad to see friendships developing between members from different communities and the concern that they show for each other. Local churches have supported us generously and we have been able to buy our own projector so that we can prepare PowerPoint presentations to show the words and pictures that help us to focus our worship.

The songs and prayers are projected onto the wall and Rosie Jackson Kilham interprets them with Makaton signing for those who appreciate that help. In the early days we used to hire a special coach in July to go on an outing to somewhere like the Cotswold Wildlife Park, but recently the Day Centres are wanting to take their people back for a proper cooked meal at lunch time and so now we have a Garden Party at St Peter's with sideshows and so on which is very popular.

We would normally expect between forty and fifty people at our meetings but from time to time we have had up to seventy or more.

Our team continues to be ecumenical with many different skills. We welcome everyone and have many friends. Do drop in and share our worship sometime. It's fun! *Jenny Loder*

Comments from the East Hagbourne Parish Council Chairman

Happy New Year Have you made your New Year wishes? Did they include any hopes and aspirations for things that you might want to happen in the parish that will make life better in some ways? I expect most of you have not, but if you are reading this please think to contact myself, the clerk, or any councillors with your thoughts and ideas.

Slurry seal on Main Road Well before 8am on the 4th December, several residents on Main Road were awoken by sounds of work on the pavement and, for some, that might have been the first that they knew about it! The history of this work is interesting and dates back nearly two years, when it was agreed with senior people in OCC Highways that the best way of improving the surface of the pavement was to use a system colloquially known as a slurry seal, essentially coating the pavement with an almost liquid tarmac. This was put into the OCC schedule for the 2025-2026 financial year. The Parish Council were not updated about the progress or timing of this although the white markings on the pavement were identified as designating areas requiring preliminary work in advance of the slurry seal, information on this coming from talking with the contractors.

About a week before the work, some houses on Main Road were leafleted by the contractor. The work was done very efficiently but most people had not prepared for the fact that the pavement required several hours to harden before use, longer than on the leaflet because of the cold weather. The end result is certainly a huge improvement on what was there before and is much safer. The good news is that this work was done on the OCC budget at no cost to the village. There is one stretch opposite Kingsholm Close that has not been done and we are now in contact with OCC to try and move this forward, potentially at our cost.

Communications Our main concern was not with the work but rather the communications surrounding the work. Communication between parishes and local authorities has long been recognised as an issue and attempts have been made to improve that with an OCC team with a remit to address this. However, although it does seem that some of our requests are taken on board and, of course, it is difficult for an overworked team with limited budgets to schedule work, it is frustrating that often things happen (road closures for example) without prior warning and, it is even more frustrating that sometimes we don't even know whom to thank when good work is done, a recent example being the amazing clearance of Hacca's brook on the causeway (Parsonage Lane) and downstream from there towards Tadley on Blewbury Road. The county wide effort on storm drainage systems is much appreciated although surface blocking, preventing water getting into the drains, has been identified and even addressed by a villager as the main reason for localised road flooding.

CIL Projects Following on from this, communication also remains an issue between villagers and the parish council. It may be that you do mention issues to myself, and then are unhappy that immediate action is not taken. Please don't let this dissuade you from continuing to ask us, as we are indeed pursuing all requests, often held up by the complexities of interaction with other relevant bodies. Some of these are identified in our Action List available with the agenda and minutes of parish council meetings. This leads me on to getting feedback on how best to allocate the spending of our CIL windfall from the new houses in the village. A draft of our thoughts on this is on the village website: Parish Council/Document Archive/Miscellaneous/CIL Projects List March 2025.

One area which can potentially use a significant proportion of our budget is in making improvements to the recreation ground, in particular in providing facilities for older children and young (and old) adults. So please let us know your thoughts on this, by email, phone, or by calling in at the next Parish Surgery.

Parish Surgeries. On that theme, the next parish surgery will be in the Fleur de Lys on Friday 16th January from 5.00 to 6.30 pm. As always, feel free to contact me (iain.duff@easthagbourne.net), the clerk or any other councillor should you have urgent concerns.

Parish Council meetings The next meeting of East Hagbourne Parish Council will be held in the Pavilion in the Recreation Ground starting at 7.30pm on Thursday 15th January. Members of the public are welcome to join the meeting and the agenda is posted on village notice boards and the village web pages at least three clear days before the meeting. Although I often ask the clerk or a council member to review parts of this page, and I am grateful for any improvements, this is not a formal or even approved article from the Parish Council. I accept full responsibility for any errors or omissions and do please alert me to any you find!

HAMS – THE SECOND HALF

Throughout the first half of our season (October to December) Hams have met at the Village Hall on Thursdays from 19.30 – 21.30 to enjoy a programme of masterclasses (led by outside experts), and workshops (led by HAMS members) to build on our learning and link to the masterclasses. We have covered a diverse range of exciting themes and skills from stage combat to puppetry, characterisation, farce, and local festive music traditions. We also took a theatre trip to the Watermill to watch a new adaptation of Charley's Aunt (by Brandon Thomas) which led to further exploration of the genre and scene readings from Blithe Spirit and The Importance of Being Earnest.

Following our short break over Christmas we are back on 7th January with an evolving programme that builds on what we enjoyed in the first half. Once again there are a series of masterclasses and workshops (the detail of which is shared in newsletters each week) and we are planning two further theatre trips. Later in the season, we will also be asking friends and supporters how they would like to see HAMS develop and how they might like to be involved in the future.

Each week, **we warmly invite new and existing members to come along and join in. No experience is needed.** If you, or someone you know, is interested in getting involved in acting, backstage or technical roles, please get in touch or come along to the village hall on Thursdays. Look out for newsletters to know which weeks we are at the theatre.

To express an interest in HAMS and join the mailing list, drop us a line at info@thehams.co.uk.

The Revd H. Smith-Masters We asked in December if anyone has any photographs of the Revd Smith-Masters who was Vicar of St Andrew's in the 1940's and 50's, there is a memorial to him in the Lady Chapel and lots of older villagers will remember him. We have been contacted by the local social history society at Stewkley in Buckinghamshire, as the Revd Smith-Masters was born in their village, the son of the Vicar at the time and married the Churchwarden's daughter in 1914. The society would like to be able to add some photos to their research. We have one photograph at the moment and wondered if you have anything to add to this that we could copy and send to them, could you let us know. Thank you, Joy Napper on magtemp5@gmail.com.

FOOTBALL in East Hagbourne: Hagbourne United FC plays regularly at East Hagbourne at the Recreation Ground and welcomes new men and youth players.

Thames Travel bus service to Oxford and the JR Hospital from Didcot – X32

The X32 service starts at Cockcroft Road, Didcot, which might be a convenient point for some people to catch it - every 20 minutes. It then goes to GWP South and down Wantage Road, past Didcot Hospital, to the Orchard Centre, Station, and on to Oxford and the JR. **Please see page 16 for useful details on how to get to the various Oxford Hospitals via public transport.**

Please use our local 94 and 94A bus to help keep the Service going.

Bus service to the Churchill, Nuffield and Warneford Hospitals

The bus to catch for any of these hospitals from the centre of Oxford is number 15 which is every 1/4 hour during the day, taking 10-12 minutes, longer at busy times.

You can catch it near the entrance to the Covered Market or near Queen's Lane. Those stops work whether you're connecting from Didcot with the Thames Travel X32 or, quicker but more walking, using the train from Didcot. The set down points are announced on the bus; for the Warneford, Warneford Road; for the Churchill, Roosevelt Drive; for the Nuffield, the stop is further on, called Lime Walk, and is actually in Old Road near the Old Road entrance to the hospital. **The website for the 15 is <https://www.oxfordbus.co.uk/services/OXBC/15>**, where you can also find a useful bus map and even live information. When using the X32 to Oxford, it's also possible to connect with the 15 near the Police Station, generally fewer people trying to get on at once.

The X32 Service from Cockcroft Road Didcot to the JR Hospital is now every 20 minutes.

Didcot Emergency Foodbank – food donations urgently needed.

A recent report shows that there has been a 56% increase in the number of food parcels provided to families with children in the South East over five years. Locally we've seen a significant drop in donations to the foodbank. If you are able to donate, these are some of the items most needed: Tins of meat, fish, vegetables, soup, fruit, puddings; Jars of pasta sauces, jam, peanut butter, coffee (small); Packets of pasta, rice, packets of dried potato, breakfast cereals, biscuits, treats, tea, hot chocolate; Cartons of long-life milk and long-life juice; Toiletries, toilet rolls and clothes-wash items. NO alcohol, razors, medicines or homemade preserves.

There is a collection point at Sainsbury's in Didcot. Alternatively, you can make a financial donation which can be on a one-off or regular basis. This can be done by visiting:

<https://didcotbaptist.churchsuite.com/donate/> and "Foodbank" as your option adding gift aid if you are able to. All donations are gratefully appreciated.

If you need to use the Foodbank you can leave a message on the Baptist Church Office answering machine on 01235 813 187 or you can email the Foodbank: foodbank@didcotbaptist.org.uk or use the [contact form](#) on the website
